Serial No. 09/943,399

Attorney Docket No. 400.130US01

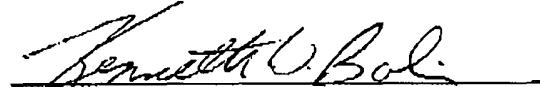

Title: FLASH MEMORY WITH RDRAM INTERFACE

**REMARKS**

In a telephone message left by the Examiner on November 11, 2003 regarding this application, it was suggested that claim 1 would be allowable if the subject matter of claim 3 was included into claim 1. However, since this limitation is already included in claims 4 and 18, such an amendment would make claim 1 redundant with claim 4. Therefore, claims 1 - 3 have been canceled. The remaining independent claims have been amended to include the limitations suggested by the Examiner that would make these claims allowable.

Applicant believes that the claims are now in condition for allowance and respectfully requests a withdrawal of the Final Rejection and a Notice of Allowance be issued in this case. If the Examiner has any questions regarding this application, please contact the under-signed at (612) 312-2211. No new matter has been added and no additional fee is required by this amendment.

Respectfully submitted,
